Re the hearing for a CUP to allow the construction of a wireless communications facility at 6269 Hog Canyon Rd., San Miguel, we wish to express our thoughts that the tower and antennas will be a blight on the neighborhood as they will be situated within a circle of 3 private homes on the hilltop.

In addition to being unsightly and lowering property values, we feel the electromagnetic field generated as much as a mile away is detrimental to the health of the residents.

We feel strongly that the Conditional Use Permit should be denied. Please present this email information at tomorrow's hearing.

Gus & Phyllis Borges

6249 Hog Canyon Rd

San Miguel, Ca 93451

Attn: Megan Martin

We are having second thoughts about the impact of the Verizon tower on my property value. Is there some way to mitigate the impact? The Verizon tower needs to be relocated further from my home as it blocks my view. (It is only 70 ft. from my front door).

Thank you,

Phyllis & Gus Borges
